

船方委外工程修理承诺

致舟山浙江友联修造船有限公司：

关于“MSC AGAMEMNON VIII”轮船东委托本公司到舟山浙江友联修造船有限公司（以下简称“船厂”）进行船舶特定项目修理事宜作如下声明：

- 1 本公司授权姓名：吴勇 为本公司全权代表，代表本公司全权办理修理项目具体工作，并签署相关文件和处理有关一切事宜。其签署真迹如本承诺书模所示。
- 2 本公司及雇用人员将按船厂要求办理相关登轮及施工手续，严格遵守乙方船厂的各项规章制度，未办妥进厂手续不得进行登轮及施工作业。
- 3 严格按照经船厂审批的《船东委外工程申请》内容施工。
- 4 船东及船厂双方签署的《船舶安全及防火协议》和《厂修船舶防污染有关规定》对第本公司具有完全的约束力。
- 5 本公司及雇用人员均已购买意外险或社保，且具有相应的资格证书能够胜任相应的船舶修理工作，如发现本公司及雇用人员不具有相应的资质胜任该船舶修理工作并可能对船舶及船厂安全构成潜在危险时，本公司及雇用人员如违反上述《船舶安全防火及环保协议》或任何中国的安全法规及己方的安全管理规定，违规作业，船厂有权随时强制终止本公司及雇用人员在船厂厂区及在厂船上的施工操作。
- 6 如因本公司及雇用人员的上述违规作业或任何过失、疏忽造成船厂的任何人员伤亡或财产损失，本公司将按照与船东方的合同及相关文件承担赔偿责任并承担法律责任。
- 7 因为本公司及雇用人员维修项目或与之相关的活动导致的任何船舶、船上货物、设备、零部件、船员财产或公司及雇用人员的财产损失或损坏、本公司雇员的伤亡及由于本公司原因造成的船员或船上其他人员的伤亡均由本公司负责。
- 8 本公司承担由于本公司修理的工程项目质量不合格或存在任何潜在的质量瑕疵造成的船东任何损失。
- 9 本公司负责的船舶修理工程进度必须严格按照船厂制定的船舶修理工程计划进行，如因本公司负责的船舶修理工程的延误或本公司负责的原因造成船厂无法按时完成船舶修理计划或造成船舶无法按时离厂，本公司自行与船东沟通协商赔偿船东损失。对由此延期而造成船厂损失的，船厂有权保留向本公司索赔的权利。
- 10 作为本公司使用船厂船坞及场地和分享经营成果的报酬，船厂有权向本公司根据具体的工期长短按照不低于本公司向船厂收取的工程费的25%收取管理费。
- 11 在船厂有要求时，本公司同意在船舶修理工程完工后向船厂提供完工单及与甲方签署的工程费用结算单或发票，以便船厂核实工程费。
- 12 发生的任何纠纷，本公司同意协商解决，协商不成交提交船厂所在地人民法院。

Captain Stamp and sign:

Date: 16/02/2025

**Agreement on Safety, Occupational Health and Environmental Protection of Ship
Owner's Self-repair Project
(English Version / Oversea Vessel)**

Party A (Shipyard): Yiu Lian Dockyards(Zhoushan) Limited

Party B (Ship Owner): MSC SHIPMANAGEMENT LIMITED

Party C (Subcontractor): HUB MARINE SHANGHAI LTD

In accordance with the Law on Production Safety, the Law on Environmental Protection, the Law on Prevention and Control of Occupational Diseases, the Regulations on Production Safety of Zhejiang Province and other laws and regulations, the parties hereby conclude this agreement through consultation in order to clarify the safety, occupational health and environmental protection responsibilities and obligations of the ship owner's self-repair project, standardize the operation procedures, and ensure the smooth progress of the project.

I. Project name: MSC AGAMEMNON VIII ENGINE ROOM LAGGING RENEWAL

1. Party C shall provide the following materials and handle relevant procedures at the Care Center:

- (1) Copy of the company's business license;
- (2) Copies of the company's legal person certificate, power of attorney of legal person, and ID cards of legal person and entrustee;
- (3) Roster of personnel entering the shipyard (special operation personnel shall be noted);
- (4) 100% certificates for special operations;
- (5) Copies of labor contracts signed with employees;
- (6) Work-related injury insurance and commercial insurance certificate covering all employees with insured amount of no less than 1.5 million yuan.

2. Before operation, relevant personnel shall apply for "access permit" and "boarding permit" at the Safety Dept. with the following materials:

- (1) Original of ID card;
- (2) Safety education and training records;
- (3) Requirements for epidemic prevention and control.

3. Before the vehicle enters the shipyard, please

- (1) Register with the guard and enter the company with the "vehicle access permit";
- (2) Accept the inspection of the guard and return the "vehicle access permit" when leaving the company;
- (3) Vehicles entering the company shall drive at a limited speed, and non-production vehicles are not allowed to enter the dock.

4. If tools and devices are carried, please:

- (1) Register materials entering the shipyard with the guard;
- (2) Go through the relevant formalities in the Production Dept., and leave after being checked by the guard when leaving the shipyard.

III. Responsibilities and Rights of Party A

1. Party A may, at the request of Party B, provide Party B with its rules, regulations and documents concerning safety, occupational health and environmental protection.

2. Party A shall have the right to carry out on-site supervision, inspection, review and assessment on Party B's safety, occupational health and environmental protection, and, in accordance with its relevant regulations, objectively and impartially impose on Party B rewards and punishments by paying liquidated damages, stopping production for rectification, prohibiting from entering the shipyard or urging the ship owner to cancel the project contract.

IV. Responsibilities of Party B

1. Party B shall cooperate with Party A in carrying out work concerning safety, occupational health and environmental protection objectively and fairly.

V. Responsibilities of Party C

1. Party C shall, in accordance with the Law on Production Safety and AQ7008-2013 Basic Requirements for Safety Production Standardization of Ship Building and Repairing Enterprises, establish a safety production management organization and equip with a sufficient number of safety production management personnel. The management personnel shall be designated as the safety, occupational health and environmental protection administrator of Party B, responsible for the safety education of the construction personnel of the unit and the inspection and management of the safety, environmental protection and occupational health at the construction site.

2. During the construction period in Party A's area, Party C shall strictly abide by Party A's management regulations on safety, occupational health and environmental protection, and accept Party A's supervision, inspection and guidance. Party C shall rectify all kinds of hidden dangers identified within the time limit.

3. Following the principle of "safety must be managed in production and operation", Party C shall, in case of safety accidents such as casualties and equipment losses, do its best to rescue personnel and protect the site, timely report the accident according to relevant national and local government regulations, and actively cooperate with the local government or Party A to investigate the accident.

4. Party C shall notify Party A of any unsafe factors in the operating environment. Upon construction, it indicates that Party B has confirmed that the construction site is safe.

5. Party C shall independently carry out occupational health examination for all employees of the unit. Those who suffer from contraindications or are not suitable for actual work type shall not enter the construction site of Party A.

6. Party C shall, in accordance with the Regulations for Management of Labor Protection Articles of Employers, provide labor protection articles that meet the relevant requirements of the State according to the type of work.

7. Party C shall actively implement pollution prevention measures, and control and reduce the use of toxic and harmful substances, so as to effectively reduce environmental pollution risks and control environmental pollution accidents.

VI. Agreement on Responsibilities

1. Party B and Party C shall be responsible for safety accidents, occupational health events and environmental pollution events caused by Party C's own reasons during the construction period at Party A, and Party A shall not bear relevant responsibilities. In case that the accident causes losses to Party A and its related suppliers and Party A is penalized by the government regulatory authority, Party B and Party C shall bear all the liabilities for compensation.

2 Party A shall assist Party C in rescuing and protecting the accident site and provide

convenience in handling the aftermath.

VII. Miscellaneous

1. This Agreement shall come into force upon being signed by the parties, with the same term of validity as the main contract. This Agreement shall automatically become invalid upon completion of the project.
2. In case of any job change of the signatory, this Agreement shall still have the same legal effect within the term of validity.
3. The Agreement is made in triplicate, with each party holding one copy.
